indications were that the Crimes Commission proposal would not come up for a final vote before the lawmakers adjourn, probably Thursday.

Two bills to establish such a commission were introduced in the House and immediately sent to committee. In the Senate the commission bill was virtually killed when Sen. Q. Byrum Hurst of Hot Springs objected to a second reading and was sustained by a voice vote.

Fifteen appointments to various boards and commissions made by Gov. Orval E. Faubus were confirmed by the Senate.

Among them were the 10 members of the new Commission on Coordination of Higher Educational Finance (the overall college control board).

The Senate also confirmed the nominations of W. M. Freeze Jr. of Jonesboro to the state Geological and Conservation Commission, Clarence Roberts Jr. of Pine Bluff to the Arkansas AM&N College board, Jess Reeves of Pine Bluff to the Arkansas Boys Industrial School board, Joe Steele of Springdale to the Arkansas Industrial Development Commission and Ned W. Moseley of McGehee to the Henderson State Teachers College board.

LITTLE ROCK (AP) — The Arkansas House today completed legislative action on a compromise congressional redistricting plan — the prime reason for the current special session.

The House gave 94-0 approval to a Senate bill, which was a duplicate of a House measure passed 98-0 Tuesday.

The bill now goes, after some routine formalities, to Gov. Orval E. Faubus, who has said he will sign it.

There was no debate.

Poinsett County Rep. Bill Thompson took the floor briefly to give a population breakdown on the four districts created by the bill. He said the new 1st (northeast) district would have 360,000 residents, the 2nd (north central) would have 517,000, the 3rd (northwest) 332,000 and the 4th (southern) 575,000.

The Senate bill got two opposing votes Tuesday on grounds of unequal populations in the districts. The negative votes were cast by Sen. Roy Riales of Polk County and Sen. Rudolph Bates of Montgomery County.

This was the second redistricting bill adopted by the legislature. The first one, passed in the 1961 regular session, was referred to a popular vote in the 1962 general election because three counties, Jefferson, Lincoln and Arkansas, objected to being in the 1st district.

Under the new bill, Jefferson and Lincoln go into the 4th District and Arkansas moves to the 2nd District.

Referral of the previous act would have forced statewide congressional race in 1962 if nothing had been done to alter the situation.

Atty. Gen. Frank Holt ruled that a special session could pass a new redistricting measure to avert the referendum vote, provided it met the objection.

Arkansas loses two of its six congressmen because of a drop in population.

The House passed and sent to the Senate bill to toughen child abandonment laws, to create a state radiation control agency in the Health Department, to authorize War Memorial Stadium to collect a 10 per cent admissions tax and to create a state Department of Social Security Disability Determination.

The child abandonment bill would amend present law to make it a felony for either husband or wife to abandon a child. The maximum penalty is increased from six months in jail to five years in prison.

Under present law, abandonment is a felony only if the offender leaves the state and women are not now subject to the law.

The stadium bill was required because a 1961 act gave the taxing authority only through this

# Judgments Are Confirmed

LITTLE ROCK (AP) — The Arkansas Supreme Court has affirmed judgments for two Jackson county land owners whose property was taken by the Highway Commission for highway right of way.

One award was for \$11,154 to G. B. Kennedy; the other for \$14,000 to Mrs. Allie Bryant.

Justice Neil Bohlinger, the court's newest member, did not participate in the decisions, announced Monday. Until his recent appointment to the court, he was general counsel for the Highway Commission.

# Doubtful About New Peace Corps

LITTLE ROCK (AP) — Rep. Dale Alford, D-Ark., said Sunday he was doubtful about the need for a Peace Corps. He said in a taped broadcast over a Little Rock radio station (KLRA) that nine international organizations which get financial support from the United States are already doing about the same work as the Peace Corps and that it did not seem necessary to further duplicate the work.

# Booms Tonight

DALLAS, Tex. (AP) — Officials at Carswell Air Force Base say sonic booms may be heard between Little Rock and St. Louis today and tonight. Supersonic jet bombers are expected to be flying the aerial corridor between 5:22 p.m. and 5:36 p.m. and between 8:55 p.m. and 9:09 p.m.

# Boys' Club

PULASKI COUNTY REP. BEN ALLEN said the new bill authorizes the tax in 1962. Proceeds from the tax will be used to retire stadium bonds and to make improvements to the stadium.

Allen also handled the radiation control bill. He said it was a step toward implementing federal policy of giving the states jurisdiction over preparation, sale and disposal of radioactive materials for peaceful uses.

Pulaski County Rep. J. H. Cottrell Jr. tried to beat the social security bill, which was designed to take authority from the state Education Department.

Cottrell said he had heard Faubus included the bill in the special session call because the state Board of Education refused to fire Olen Churchill, director of the agency.

Cottrell identified Churchill as a brother to L. J. Churchill, a republican candidate for Congress last year.

"This seems to be simply an attempt to put the agency where Churchill can be fired," Cottrell said.

Perry County Rep. Paul Van Dalsen retorted: "If it takes this to get some good Democratic patronage and to get some Republicans off the payroll, I think it's a good bill."

The bill passed 80-7.

telegraph any punch the United States may be intending to throw in the great diplomatic struggle now shaping up.

There is lively speculation about what the United States might do in the light of the Kremlin's intention to go ahead with its demand for a three-headed secretariat made up of a Communist, a Westerner and a neutral.

Widely discussed is the possibility that the United States intends a counter-offensive involving a demand that the nations of the world stand up and be counted for or against an effective peace organization.

A firm United States stand behind the United Nations as the last hope of peace, so the speculation goes, could generate pressure from weaker countries on the Kremlin. Implicit in the approach would be a U.S. threat to pull out of the United Nations if the Kremlin should succeed in extracting the secretariat's teeth.

Representatives of the so-called neutral nations here complain, however, that it was the United States and its policies in the past

# 'Capitalists' Blamed for Dag's Death

LEOPOLDVILLE, the Congo (AP)—Premier Cyrille Adoula turned angrily on the "capitalist power" today, blaming them for the death of U.N. Secretary-General Dag Hammarskjold.

In a radio speech, Adoula said the Congolese army has been put on a state of alert and from today every citizen must be prepared to serve in Katanga where U.N. forces are fighting to bring that rebellious province under control of Adoula's central government.

"The government has taken an

important decision to pare no of Rhodesians, South Africans and fort to end Katanga's secession, backed as it is by the duplicity of trusts, holdings and capital," the premier declared.

Adoula went on the air soon after scores of demonstrators had paraded through Leopoldville's streets shouting anti-Western slogans outside the British and Portuguese embassies. Britain has been critical of U.N. action in Katanga. Congolese sympathize with rebels in Portugal's neighboring colony of Angola.

Adoula said Katanga's army was bolstered not only by Belgians but also by "rogue of all kinds who are guilty of rape and assassination in Algeria for more than five years. Also it is bolstered by English whole hatred of the colored man is universally known." The bitter speech by the premier, who has been considered moderate, came as Soviet diplomat scores of demonstrators had paraded through Leopoldville's streets shouting anti-Western slogans outside the British and Portuguese embassies. Britain has been critical of U.N. action in Katanga. Congolese sympathize with rebels in Portugal's neighboring colony of Angola.

The United Nations acknowledged another reversal in Elisabethville. It said Katangans overran part of the U.N. hospital and captured the Italian officer commanding the supply depot and four of his men.

All the captives belong to the Italian Red Cross.

## Church Group to Debate Council Issue

By TOM SHAWVER

DETROIT (AP) — A move to pull the Episcopal Church out of the National Council of Churches developed at the Episcopal General Convention today. It appeared to have only scattered support but the issue may stir up one of the liveliest hassles at the church's triennial meeting.

Delegates representing 3 1/2 million Episcopalians across the country, agreed Monday to bring it into the open for debate. "This issue needs more light and less heat," said a lay delegate at the opening session of the House of Deputies, representative branch of the church's two-chamber governing body.

The council is formed by 33 Protestant denominations with nearly 40 million adherents. Some Episcopalians are disturbed by its pronouncements on controversial political issues.

The diocese of Southwestern Virginia submitted a resolution adopted by Pulaski, Va., Episcopalians calling on the church to resign from the council.

Dorothy Faber of Grosse Pointe, Mich., a leader in the Episcopal Education and Information Council of Michigan, an unofficial organization, said Episcopal groups in at least a dozen cities support withdrawal.

Less militant, the Long Island, N.Y., diocese urged the convention to ask the council to refrain arrival of their first child on Sept. 19. A boy, it weighed 7 lbs. 10 oz. Grandparents are Mr. and Mrs. J. W. Jones and Dr. and Mrs. S. A. Whitlow, all of Little Rock, the latter are former residents of Hope.

'The Other Woman' Tells Her Story

By HELEN WORDEN ERSKINE

Dear Helen: For 20 years I had a marriage of bliss and fear. My two sons and I loved and hated the man that alcohol drove to skid row. For 10 years I worked and raised my wonderful sons after divorce was the only assurance for our safety.

I met a man with whom I fell in love. He has lived with his wife in name only for nine years. She is not well. We fought our need for each other like warriors. I took a leave of absence from my position. Being of the same faith, we sought religious help. Finally, our love became too great, and was consummated as it should not have been. We realized our wrong-doing, and a year ago ceased all contact.

We both are working to the point of exhaustion to forget. I do not want other male companionship. I busy myself with church and making a living, and work in the hospital evenings.

Now, just recently, our minister stated that if we had done wrong to anyone, we should go to that person and ask forgiveness. I am quite sure that the man's wife knows of our dedication to each other. I have asked God's forgiveness, with a truly broken heart. Must I expose this dear man to his wife, and revive something that has been closed by asking her forgiveness? I do want my sons to be proud of their mother! —A Mother

Dear Mother: It is not seemingly for me to oppose the admonition of your pastor, who asks you to beg forgiveness of the wife who has been wronged, but I should like to ask him who can benefit now from this action, and how it can help anyone.

You have made it clear that you have no wish to resume the relationship you knew it was wrong.

This wife could only be made unhappy to have this situation described to her, especially since you would not be able to conceal the fact that you still feel strong attraction for her husband. You might discuss this with the pastor, point out that your repentance is complete, and that you intend to keep to your present wholesome path.

Your work, your hospital duties, and your church activities keep your hours filled, but I suggest that you look for some emotional outlet, that you find someone in whom to take an affectionate interest—a high school or college student who needs help, an elderly person to be entertained, a handicapped person to be assisted. You are obviously a warmhearted woman and there should be a personal aspect to some part of your relationship with other people: now that your sons are grown and no longer need you.

Keep up your courage, and I wish you well. Your enclosure will be used as you have indicated.

Dear Helen: My parents love me, but my father is an alcoholic and my mother is always wrapped up in her work. I get everything I want so I guess they think that's

from taking stands on political, social, economic and theological issues. Strong support for both the National Council and the World Council of Churches came from the dioceses of New York and Massachusetts.

Controversy also was mounting over a move to unite Episcopalians with other Christian denominations.

Certain to trigger sharp debate is a far-reaching proposal by Dr. Eugene Carson Blake, Presbyterian clergyman, for a merger of his church with the Episcopalians, the Methodists and the United Church of Christ.

all that counts. I am 16 and in love with a married man. He is 21. I have tried to stop seeing him but it is impossible. His wife is divorcing him and keeping the four children.

I turn to alcohol as the way to solve my problems. I know plenty of boys; one in particular loves me very much. I don't know why I love him, but I do. My parents will not let me see him but I do anyway. I haven't done anything to be ashamed of. Sometimes I wish I could die. —Janice

Dear Janice: You are the only person who can help Janice. First of all you must think of others. Your mother and her problems—working, concerned about an alcoholic husband, worried about a wayward daughter; your father, and the unhappiness that's made him an alcoholic. Do you know there is a teen-branch of Alcoholics Anonymous? If you will send me an address I'll get more information about it for you.

Then there is the pitiful young mother of the man's four children. What is her life going to be like, bringing them up without a father? Do you realize that, divorced or not, he will have to support those children? Finally, what about the boy who loves you? Why not give him a chance? Stop thinking about Don, stop pitying yourself, go out with young people your own age, and have some fun. Get acquainted with the boy who loves you. I'll bet you'll forget about Don in no time at all!

Send your problems to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available. Write for "Petty Trysts."

## Laboratory Town Okays Shelter

LIVERMORE, Calif. (AP) — Councilmen of this home city of the University of California's Lawrence Radiation Laboratory approved a plan Monday night to provide nuclear fallout shelters for all its 17,250 inhabitants.

An audience of around 300 applauded as the council acted. Earlier, a lone dissenter was shouted down after he admitted he was not a Livermore resident.

The shelter plan, as outlined by Leo von Goltfried, a physicist at the laboratory, would work like this:

Seven shelters would be placed strategically in various parts of the city. A democratically elected cadre would be in charge of each. In case of attack, citizens would be prepared to live for two weeks in the shelters.

## Death of UN Secretary Stuns World

By THE ASSOCIATED PRESS

The death of Dag Hammarskjold in an African plane crash left the non-Communist world stunned today. Fear was expressed that his passing put the future of the United Nations in peril.

From every quarter tributes flooded to the memory of the secretary-general who died in the restless search for an ideal—a world peacefully united to prevent war.

Even those who often had challenged his policies hailed him as a dedicated man. In the capitals of the West there was a heavy atmosphere of mourning. Radio and television news bulletins retold of the crash of Hammarskjold's plane as the U.N. secretary-general was flying on another peace mission—this time to meet Moise Tshombe, president of war-torn Katanga. Somber headlines dominated newspaper front pages.

President Kennedy said Hammarskjold's name "will be treasured high among the peace makers of history." U.S. Ambassador Adlai E. Stevenson said: "I have lost an esteemed friend and the world a great servant."

Prime Minister Harold Macmillan of Britain, who had been cool to U.N. action to suppress Tshombe's secessionist regime, called Hammarskjold "a world servant who has pursued his duty with courage, singlemindedness and devotion."

The French, bitter at what they regard as U.N. interference in Bizerte and Algeria, were shocked. The Foreign Ministry expressed "deepest emotion."

India's Prime Minister Nehru, a leader of the nonaligned nations who hold the balance of power in the U.N. General Assembly, called Hammarskjold's death a "special tragedy."

The Belgian government sent a message to the United Nations deploring his death and saying his service to the United Nations had gone to "the supreme sacrifice."

Sir Roy Welensky, prime minister of the Central African Federation who had assailed the U.N. action in Katanga, called Hammarskjold "an indefatigable worker in the cause of world peace."

Moscow and Peking broadcast the news of Hammarskjold's death without comment. The Soviet press kept the news off the front page.

In France, the Communist newspaper L'Humanite said Hammarskjold "was the victim of the same people whom he did nothing to prevent from assassinating."

## Redistrict Plan Seems All Settled

By JOHN R. STARR

LITTLE ROCK (AP)—Gov. Orval E. Faubus said today some sentiment has developed for redistricting a compromise plan on congressional redistricting.

However, chances appeared slim that any change would seriously disrupt the present compromise, drawn up by Cleveland County Rep. Raymond Mays.

Faubus identified Sen. Roy Riales of Mena as one of those who favored amending the new plan.

Riales said later than some western Arkansas counties were dissatisfied with the fact that the new 4th district, which they will be in, will have about 600,000 population while two other districts—the 1st and 3rd—will have around 300,000 each.

The compromise plan would move about 100,000 people from the 1st, or northeastern, District to the 4th, southern, District. It would shift about 25,000 to the 2nd, north central, District.

Riales declined to say which counties might be unhappy with the compromise. He represents Polk, Sevier, Howard and Little River counties.

Faubus mentioned all of these except Little River and he added Montgomery.

"There's some sentiment that some of these western Arkansas (former) Congolese Premier Patrice Lumumba last year."

Israel and the United Arab Republic, who had often used his services as mediator in their quarrels, found themselves in rare agreement in expressing a sense of loss.

In Sweden Hammarskjold's native land, King Gustav VI proclaimed today a day of national mourning. Radio Sweden ran several special broadcasts in memory of Hammarskjold.

## Belgian Talks With Khrushchev

MOSCOW (AP)—Foreign Minister Paul-Henri Spaak of Belgium began a conference with Premier Khrushchev today to discuss Berlin and other problems.

Spaak arrived from Brussels Monday night on short notice at the invitation of Khrushchev, evidently after the Soviet leader had read reports saying Spaak was interested in some sort of disengagement along the East-West frontier in Germany.

counties would like to move from the 4th District to the 3rd (northwest) because of the heavy population of the 4th," Faubus said. "I don't know how strong this sentiment is and there possibly is some divided sentiment in these counties about where they want to be."

Faubus said that as governor and as a resident of the 3rd District, he would welcome these counties into the northwest district if they wanted to change. Mays indicated that he would not strongly oppose a move by a few counties, but that he would not agree to a major realignment.

## They're Playing Taps for the L. A. Dodgers

By MIKE RATHET  
Associated Press Sports Writer

They're playing taps for the Dodgers in Los Angeles while Cincinnati's rambunctious Reds ride their pennant-bound express to their first National League flag in 21 years.

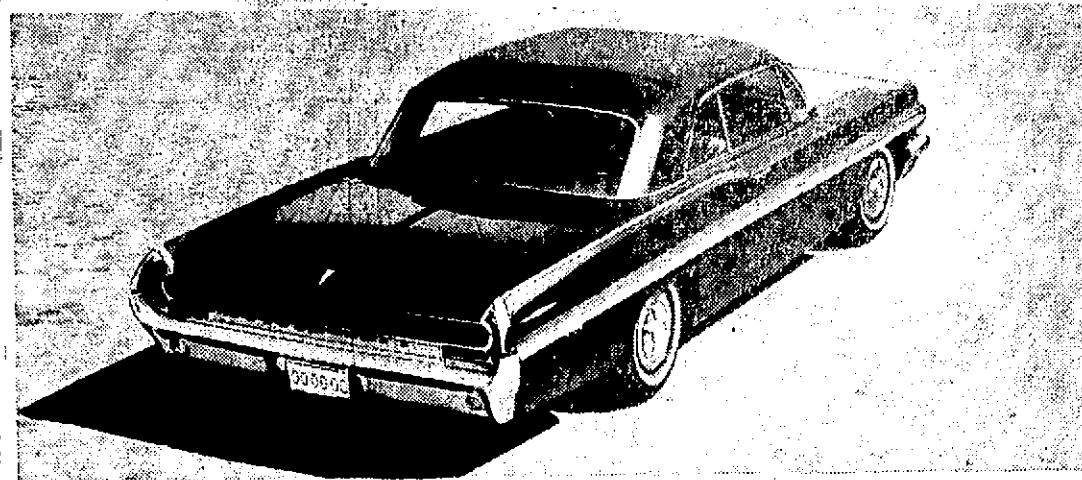

The Reds, a patchwork outfit that includes a host of youngsters and a batch of castoffs, ballooned their lead to five games over the Dodgers Tuesday night by walling the Pittsburgh Pirates 10-1 for their seventh victory in the last eight games.

The triumph, coupled with Los Angeles' second straight loss to the seventh-place Chicago Cubs, 7-3, reduced the Reds' magic number to five. Any combination of five Cincinnati victories or Dodger defeats will give the Reds their first pennant since 1940.

It was a typical story for the Reds as trade acquisition Gene Freese smacked two homers, including a key three-run shot in a seven-run fourth-inning rally, and 24-year-old Jim O'Toole won his sixth in a row bringing his pitching record to 17-9.

San Francisco and Milwaukee players hammered four homers each before Ed Bailey's ninth-inning single drove in the winning run for the Giants' 11-10 victory. St. Louis blanked Philadelphia 3-0 as Curt Simmons five-hit his former teammates.

In the American League, Roger Maris was held to an infield single while the New York Yankees split with Baltimore and clinched at least a tie for the pennant. The Orioles won the opener of the two-nighter 1-0 before the Yanks clinched their pennant tie with a 3-1 second game triumph. Detroit's second-place Tigers beat

**LUXURIOUS STYLING** of Pontiac's 1962 sports coupe models is graphically illustrated by these views of the sparkling new Bonneville. A smaller rear window and a lower roof design give this two-door hardtop the rakish look of a softtop convertible. A divided V-shaped grille of horizontal bars exemplifies the smooth flowing lines and the Bonneville's generous full-length side moulding accentuates the car's long, low and sleek appearance. This same new look in hardtops is found in the Catalina sports coupe.

## Picks Porks to Lose to Mississippi

**Associated Press Sports Writer**  
SAN FRANCISCO (AP)—Trying to find this weekend's flaming college football winners amidst the dying embers of the baseball season (last week's opening record: 15 winners in 18 tries for an .833 average):

Alabama over Georgia: Pat Trammell's passing to bring Alabama the decision in a contest marked by the rugged defense of both squads.

Penn State over Navy: There's no Joe Bellino in the Middles' backfield this season.

Syracuse over Oregon State: The Big Orange turns Ernie Davis loose on the West Coast.

Kansas over Texas Christian: It is a night affair at Fort Worth but the darkness won't hide the all-around ability of quarterback

Los Angeles 6-2, Kansas City and Cleveland split, the A's winning the first 6-0, the Indians taking the nightcap 6-2. Chicago beat Boston 5-1. Minnesota edged Washington 3-1.

O'Toole stopped the Pirates on seven hits, allowing their only run in the fifth on Hal Smith's single, a double by Bill Mazeroski and an infield out. The Reds faced Pittsburgh starter Bob Friend (4-18) for seven runs in the fourth. Freese's solo shot in the seventh, his 26th homer, ended the scoring for the Reds, who pounded Friend and three successors for 15 hits.

Bob Anderson (7-9), who hadn't completed a game in 10 previous starts, went the route for the Cubs and knocked in the winning runs with a two-run homer in the fourth.

Bailey's single settled a homer battle. Willie Mays, who smashed a grand slam, Orlando Cepeda, Jim Davenport and Bailey connected for the Giants. Joe Adcock, Roy McMillan, Ed Mathews and Frank Bolling homered for the Braves. Reliever Stu Miller (14-4) won it with the loss charged to Carl Willey (5-12). Warren Spahn was sent to the showers in the second inning without victory.

No. 20.

John Hadl, spearhead of the Jay-hawk attack.

Purdue over Washington: The Huskies still have Charley Mitchell, 44 per cent compared to coast team's Rose Bowl lineup. Ron DiGravio is the new

Boilermaker passer and will decide.

Elsewhere:

Miami over Kentucky, Georgia Tech over Southern California, Iowa State over Oklahoma State, Virginia over William & Mary, Texas over California.

East: Army over Richmond, Boston College over Cincinnati, Boston University over Buffalo, Villanova over Virginia Military, Midwest: Indiana over Kansas State, Missouri over Washington State, Nebraska over North Dakota, Memphis State over Tulsa, Wisconsin over Utah.

South: The Citadel over George Washington, Florida over Clemson, Furman over Davidson, Mississippi over Arkansas, Mississippi State over Texas Tech, Duke over South Carolina, Vanderbilt over West Virginia.

Southwest: Baylor over Wake Forest, North Texas over Hardin-Simmons, Rice over Louisiana State, Houston over Texas A&M, West Texas over Brigham Young.

West: UCLA over Air Force, Arizona State over Wichita, Arizona over Colorado State University, New Mexico State over New Mexico, Tulane over Stanford, Utah State over Montana, North Carolina State over Wyoming.

The secret police system of Iran is known as "The Eyes and Ears of the King."

Since World War II, manufacturing jobs in Arkansas have increased 44 per cent compared to only 11 per cent nationally.

## Maris Held to Single; Way Gets Harder

By MIKE RATHET  
Associated Press Sports Writer

Roger Maris was held to an infield single Tuesday night as the New York Yankees clinched at least a tie for the American League pennant by splitting a doubleheader with Baltimore.

Maris must hit two home runs tonight to officially tie Babe Ruth's home run record.

If he doesn't, he'll have eight more regularly scheduled games in which to tie or surpass the Bambino's 60-homer record of 1927, but will have to take the League pennant with any record under the edict handed down by Commissioner Ford Frick.

That's the prospect facing Maris, who has 58 homers after failing to connect in nine tries against the Orioles' sharp pitcher: as he prepares to take his final official shots against right-hander Mill Pappas (12-8) if Hurricane Esther doesn't intervene.

The honor of clinching the tie for the Yankees' 26th pennant, their 11th in 13 years and the outlasted Milwaukee 11-10 and St. Louis beat Philadelphia 3-0.

Daley who beat the Orioles 3-1 in the nightcap with a five-hitter. Steve Barber won the opener for the Birds 1-0 with a four-hit job for his eighth shutout, tops in the majors. Maris walked in the first, then failed to get a hit in three other at-bats.

In the second game, Maris fouled out in the first, got an infield single in the third, grounded out in the fourth, hit a long foul in the seventh before flying out to center and struck out in the ninth for a 3-for-36 performance at Baltimore this season.

Bill Skowron took up the home slack for the Yankees, cracking his 27th, with one on in the fourth, for a 3-1 New York lead that stood up and reduced their magic number to one over the second-place Detroit Tigers.

The Tigers, who play an afternoon game against Los Angeles today, maintained a mathematical chance to tie for the pennant by beating the Angels 6-2 Tuesday.

Cleveland and Kansas City split the A's winning the opener 6-0 and the Indians taking the nightcap 6-2. Chicago whipped Boston 5-1 and Minnesota defeated Washington 3-1.

In the National League, the first-place Cincinnati Reds hammered the Pittsburgh Pirates 10-1 while second-place Los Angeles was losing to Chicago 7-3, moving into a five-game lead over the Dodgers and reducing their magic number to five. San Francisco lost to Milwaukee 11-10 and St. Louis beat Philadelphia 3-0.

Skowron's homer, with Elston

Howard on base against Baltimore starter Skinny Brown (10-6), gave Daley his 12th win against 17 defeats. The lone Baltimore run came on Ron Hansen's homer leading off the third.

In the opener, Barber (17-11) had the Yankees completely in control while Baltimore's first inning run stood up and made White Ford (24-4) the loser. The Orioles scored when Brooks Robinson singled, reached second as the ball got by Hee Lopez and scored on Jerry Adair's double.

The Tigers scored four in the first inning on singles by Billy Bruton and Norm Cash, doubles by Al Kaline and Rocky Colavito, plus two wild pitches by Ken McBride (12-14) and an error. That was enough for Don Mossi (15-7), although he was tagged for homers by Eddie Yost and Steve Bilko in a four-hit pitching performance.

A woman in the group fell before reaching the ground and was taken to a hospital.

**When a car is this beautiful, you know Pontiac built it!**

Who else but the builder of those front-running Wide-Track Pontiacs could bring out a car so freshly and finely styled! It's longer, with a crisp, low silhouette. It's distinctly Pontiac, with a new twin-scoop grille you can recognize a block away. Powered by the potent Trophy V-8, with from 215 to 348 h.p. Beautifully poised on Pontiac's famous Wide-Track stance. And a turning radius cut as much as 3½ feet to make handling easier. The result is a pride-pleasing new version of America's Number One Road Car. Let a 1962 Pontiac show you.

### Smackover Smacks Strongly as Best in the District

The Bucks will number only 28 men this season. That number is the smallest the Bucks have fielded in many years.

The Bucks lack depth on the line and in the backfield and if any one of the starters is injured then Coach Skipper Hays will have his problems. Lack of reserve power is considered the weak spot at the present.

The Buck pilot has a brighter side to look at with Joe Black, a senior fullback with All-State honors and "is second to none in the state" as the power to the backfield.

On the line a 183-pounder guard by the name of James "Smiley" Bryant is considered to be toughest on Hays' team.

Here is what Coach Skipper Hays had to say about his top eleven boys.

TOMMY BURNETT—one year letterman with good speed and has looked good as a receiver.

MIKE LAW—a sophomore with inexperience but likes it tough and has the size and ability to be outstanding.

JAMES BRYANT—All-District last year, plays both offensive and defensive and hits hard. A great potential.

GERALD LEGGETT—has real

potential, inexperienced, but will have to carry a big load.

ROBERT MITCHAM—who will relieve of both guard positions on offense, will probably see action at the center slot, too.

BILL MOORE—a starter since his sophomore year, played all over the front line and is our most underrated football player. Has been a real hitter.

WAYNE WILLIAMS—a senior right tackle. Must carry a big load for us and shows good movements.

BOBBY AGEE—a good field leader, has played quarter back, linebacker on defense and expect a lot out of him this year.

CRAIG BURNS—developed into outstanding ball handler, and is doing fine at passing.

BILL NEAL—a two year starter and is real tough. Could break up a ball game with his speed.

JACK HUNT—having his best year and keeps on improving. He and Neal could make us tough outside.

JOE BLACK—been a starter since a sophomore. All-District and All-State last year, leading ground gainer in District, as well as leading scorer. A fine

college prospect.

Commenting on the reserves, Hays said, "We have a number of boys with great potentialities, but lack of experience and weight can be a handicap now. Several showed up well on the Junior team and by mid-season these Sophomores could be a great help. Sophs like Mike Reeves, John Saulsbury, Ted Roberts, Wally Moorehead, Tommy House, Tommy Taylor, David Corley, Sam Bateman, Bill Leach,

Dale Lotz, and Jim Aycock, all have good possibilities.

Mervin Corley, who has been out with injuries for two years, will show up well on defensive end. Tom Preston is a good hitter. Ralph Ramsey and Richard Mitchell, both aggressive players, have injuries. James Terrall, a Junior, is slated to help at defense. Ronnie Langley and Calvert, and Hight, who reported recently, are expected to develop as the season moves along.

### Crossett Has Need for Few Linemen

CROSSETT — Large holes left in the line by graduation is the biggest problem facing Crossett coach Harry Denson.

And despite losing three backfield starters off last year's 7-2-1 Region IVAA team, Denson feels his backfield ranks ahead of his line.

"We'll have a light ball club and our tackles are not big at all," Denson lamented. "It looks like our backs will be able to move the ball but we don't know about our line."

Squadmen or sophomores must come through as only one letterman returns at tackle and end and no numerical winners at center.

Don Little, who lettered last year on defense, and Ladd Scriber are vying for the No. 1 spot at quarterback.

Other than that the backfield is set with Robert Stone and Paul Pendergrast at halfback and Ronnie Bailey and Ronnie Binns at fullback.

Line lettermen include Ricky

### Porks Have 72 Out for Grid Season

FAYETTEVILLE, Ark. — Seventy-two varsity football players reported for practice at the University of Arkansas on Friday, September 1 — and the challenge of a new season has never been greater. In the span of three weeks, Coach Frank Broyles and his staff must mould this working number into a machine that can meet perhaps the toughest opening opponent in Razor-

Robinson, Walter White, Vernon Draper, Bill Partaino and Larry Goodson. Draper is the biggest at 185.

Two juniors are competing for center and doing a good job. Pole vaulter Jim Woods, impressive sophomore Floyd Alexander and Richard Meredith are the ends.

Gone from last year are Corkey Corkern, Mike Young and Donnie Switzer in the backfield and Tommas Carter in the line.

"I feel our league will be stronger than before," Denson added. "Smackover will have a senior club and Camden will be right up there with them."

back history — then prepare to defend its twice-won Southwest Conference championship. The Rebels of Ole Miss provide the severe opening test in Jackson before the nation's television cameras on September 23. In many quarters it's regarded in much the same way as a Bowl contest. The 1961 clash does indeed send the champion of the Southwest against the champion of the South-

eastern Conference. Then comes what many experts rate as the greatest SWC race of them all. In view of a three-way tie in 1959 — and a three-team second place deadlock last year — that is a most profound outlook. The defending champions again rate as a contender — with Texas, Rice and Baylor established favorites and Texas A&M the most serious darkhorse.

### Malvern Is Team That Grinds It Out

MALVERN — Malvern's football team doesn't possess a sprinter of breakaway speed so it'll be three yards and a cloud of dust as the Leopards open their aggressive 12-game Region IVAAA schedule.

"We're awfully slow, no speed at all so we're really struggling," he added.

But speed isn't Malvern's only

detriment as Hunt was greeted by only three starters from last year's 4-6-2 schedule.

"We can still have a fair club with a lot of work and improvement," Hunt said. "The spirit and morale have been good."

Starters returning from last year include tackle Gary Boreland, a 220 pounder; guard Randy Stucky, a 145-pound running mate; and James Olenoskey, this year a halfback.

Other lettermen returning include Jim Homan, David Eford, Bill Pulliam, Craig Lescer, Bobby Fielding, Mac Glover, Jim Cole

and Mickey Pennington. "We'll have a letterman at every backfield position," Hunt said "but our line is a real problem."

Starters in the backfield will be Fielding at quarterback, Olenoskey and Glover at the halves and Cole at fullback.

A sophomore tackle, Jim Fitzhugh, has also impressed.

## Camden Panthers Have Good Team Back This Season

The Camden Panthers are the defending Div. 4AA champions of 1960. What are their chances of repeating in 1961? What will this year's team be like? What about the other teams in the league?

Repeats are not uncommon in the 4AA loop. Smackover had a twin champ in 1958-1959. But the odds are 60-40 against a repeat.

The Panthers of 1961 are progressing very well according to Coach Roy Ledbetter. "We feel we will have a good team this year, how good will be up to the boys," he said.

Reports indicate that Smackover, Malvern, and Magnolia should be some what stronger. Crossett, Hope, and Fairview are expected to be about the same last year. This would indicate another strong league with many upsets along the way. Smackover is generally favored for the title.

A quick thumbnail report on the Panthers follows:

This year's team has good over-all balance. A letterman is available at every position. Reserves, although not too experienced, are fair to good. The Panthers should have a good running

The team again will have good weight. The line should average about 175-pounds and the backfield 165 pounds.

Both Fort Smith and the Zebras have won their first two games and Friday night's match in Pine Bluff is almost a tossup. But Fort Smith has a solid line and more experience and depth.

Blytheville and El Dorado are favored in non - conference play and Little Rock Central, Texarkana and Hot Springs are underdogs.

Springdale is favored to win its fourth straight against Harrison. Jonesboro, the 2AA favorite, is fourth straight against Harrison. Jonesboro, the 2AA favorites, is favored in an important league game with Stuttgart, loser to Benton last week.

There are several good matches but few that count as furlongs in conference races. Conway and Russellville meet at Russellville with Conway a one-point favorite. Here's the week's outlook:

BLYTHEVILLE 20, West Memphis 6. Three in a row? for Blytheville?

POINT SMITH 13, Pine Bluff 7. But Pine Bluff has two advantages. The Zebras are at home and they had an easy one last week.

the Hope 10. There fullback Joe Black barreled over for the touchdown.

A few plays later, the Bobcats took over on their own 45, drove to the one yard line in 6 plays, including a 26 yard jaunt by Arnett. Joe Matt Herndon plunged over from the one for the T. D. and Joe Duke splight the uprights for the conversion and the Piecemen led 7-6.

Later in the period, Smackover bounced 60 yards to the Bobcat 8 where Black again plunged for the tally. His conversion was good and the Buckaroos led 13-7.

The second half was scoreless but the Bobcats were resting on the Smackover 8 as time ran out. Hope made 14 first downs to 11 for the Bucks but were out-rushed 284 to 231 yards. The Bobcats completed 5 of 16 passes and Smackover gathered 2 of 6. Black carried 24 times for 116 yards for the Buckaroos while Herndon picked up 95 yards in 20 tries.

## Bobcats Lose to Bucks 13-7 in 1960 Clash

The Hope Bobcats were edged 13 to 7 last year by the Smackover Buckaroos in a 4AA contest. An offensive battle raged throughout the game between Hope's Lloyd and Smackover's Parks. All three touchdowns came in the second period.

Early in the second quarter, the Bucks took the ball on their own 14 and sparked by a 68 yard scamper by Neal, rolled to

## Bobcats Have a Real Live Mascot

BACK IN THE SUMMER THE BOBCATS got themselves a real live mascot. A Delight gentleman (name couldn't be learned) turned him over to Arkansas Highway Dept. Engineer E. A. Pendergraft of Oakhaven who brought him to Hope. He was caught as a cub and raised by

the Delight man. Bill Wray is currently keeping the Cat for the Bobcats. His keep will come through contributions at home games. This year-old cat has plenty of pep which seems to arouse the students at pep rallies.

## Cave Could Delay Beaver Dam Work

ROGERS, Ark. (AP)—A newly-discovered cave could delay or change plans for construction of Beaver Dam on the White River near here.

The cave was located unexpectedly when a bulldozer broke through into it last week. The bulldozer operator escaped injury.

Resident Engineer J. W. Story said that if tests show the cave would cause a leak in the 31,700-acre reservoir, construction might have to be delayed until the cave could be filled or the end of the dam moved.

Geologists are studying the cave.

## Would Sign Crimes Commission Bill

LITTLE ROCK (AP)—Gov. Orval E. Faubus said today he would sign and enforce a reasonable Crimes Commission bill.

The governor declined to endorse any of several proposed measures, but he indicated he favored a bill being sponsored by Cleburne County Rep. Gen. P. Houston.

The Houston bill was written by Kenneth Coffelt, Little Rock lawyer who first proposed establishment of such an agency.

Faubus said he understood the bill would be introduced today.

Asked if he favored creation of such a commission, Faubus said, "My placing it in the call can be taken as an endorsement."

But he indicated he would not push for passage by adding, "I have no control over what the legislative branch does."
